

"Being a part of a small thriving community has so many benefits. Joining the Chamber has allowed us to meet and work with many different business owners. Proving time and time again that together we can all succeed, it's contagious and extremely beneficial! I hope that we continue to grow and thrive and believe that it is essential we all join together."

"The McCook Chamber of Commerce is a wonderful resource to businesses and our community overall. They are creative and supportive in their efforts to foster business through involvement, education, and multiple resources. The addition of coordinating promotions and events for Crazy Days, Winter Wonderland, Bash on the Hills, and Heritage Days, only adds to the value of membership in the Chamber."

Mission
A membership organization facilitated by volunteers to enhance the McCook area experience through our members.

Vision
The McCook Chamber of Commerce acts to enhance the McCook Community by providing community support and growth through retail engagement, public and business policy, event planning, and business promotion.

To the Future Members of the McCook Chamber of Commerce,

What an exciting time it is to live in McCook, NE! With so much potential looming on the horizon, I am excited to invite you to be a member of the McCook Chamber of Commerce and join the growing number of businesses, organizations, non-profit entities, and individuals who have partnered with us.

You have a chance in your business or organization to connect with us at the Chamber, to be a catalyst and invest in what we are doing to support our community. Your partnership is critical to the chamber because without members, we can't put together events like Heritage Days, Bash on the Hills, or any of our shopping promotions. We would have a hard time advocating on behalf of the business and education leaders in the community about public policy. And the networking opportunities we provide are invaluable when you join the chamber. I write all this to say, we see the chamber as a team, and the members are our players. And we need every player in McCook because that is what makes us strong and able to grow McCook to be the best town in Nebraska!

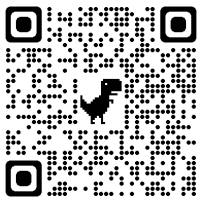

I hope you will consider your position in the community and with the Chamber and choose to get involved. I would love to come to your business and visit with you about the ways in which we can help you. After all, this is a partnership and it takes both of us working together to support the mission of the organization and the community in all that we do. We are here for the community and it's our sincere wish that you will feel welcomed to make a commitment to the McCook Chamber of Commerce.

Best Wishes,

Molly Smith
